Hello Constance and Steven Brown,

I just wanted to again say, Thank You, for the contribution from the South West Association of Neighbors and for being present at the "Healthy Day" program, or this past weekend. I have heard nothing but positive comments from the community, participants and church members. We have great pictures to remember this great occasion. I hope that we will be able to work with each other in future outreach programs to effectuate change in our community, especially concerning our health.

I could not have done it without you and I know that God has made all things possible. Please keep Kaye and me in your prayers as we continue in ministry. I am sure you will continue making an impact and a difference in your community.

Please do not hesitate in calling me for anything, especially in the area of mentoring youth and/or community opportunities.

Please come and worship with us, here at the Church of the Savior. Our church service is on Sundays at 10:30am and I would love to see you both.

To God Be the Glory,  
Your Brother in Christ,

Scott E. Barwick,  
Director of Sports Ministry and Community Outreach
